1. That the unfunded pension liability going from 17% funded to 60% funded does not jeopardize future State funding; and,

2. What the City has done to date to determine that the State would allow the City to amortize the remaining unfunded pension payments over 40 years instead of 26 years; and,

3. That the fixed payment of the debt service vs. the flexible payment of the unfunded pension payment does not hinder the City's financial position.

For the purpose of providing funds for and toward the payment of costs, as such term is used in the Debt Act, of the Project, the incurring of nonelectoral debt by the City in the amount of \$255,865,000 is hereby authorized. Such debt shall be evidenced by three series of taxable general obligation bonds of the City designated "City of Pittsburgh, Pennsylvania, Taxable General Obligation Pension Bonds, Series A of 1998"

in the aggregate principal amount of \$24,860,000, "City of Pittsburgh, Pennsylvania, Taxable General Obligation Pension Bonds, Series B of 1998" in the aggregate principal amount of \$43,280,000 and "City of Pittsburgh, Pennsylvania, Taxable General Obligation Pension Bonds, Series C of 1998" in the aggregate principal amount of \$187,725,000.

Section 4. Acceptance of Proposal. The City Council shall and does accept the proposal to purchase the Bonds as contained in the Proposal presented by the Underwriter to the City Council on the date hereof; and the Bonds shall be and are awarded to the Underwriter, in accordance with the terms and conditions of the Proposal included in Schedule A and incorporated herein by reference, at a private sale by invitation. The proper officers and officials of the City are hereby authorized and directed to execute and deliver an acceptance of the Proposal to the Underwriter. One counterpart of the Proposal shall be filed with the records of the City.

The price bid for the Bonds is set forth on Schedule A.

Section 5. Maturities and Interest Rates. The Bonds shall bear interest and shall mature as set forth on Schedule A hereto.

Section 6. Appointment of Paying Agent, Registrar and Sinking Fund Depositary. Chase Manhattan Trust Company, National Association, Pittsburgh, Pennsylvania, is hereby appointed Paying Agent ("Paying Agent") and Registrar ("Registrar") for the Bonds and Sinking Fund

Depository ("Sinking Fund Depository") for the 1998 Sinking Fund created hereby. The authorized officers of the City are hereby authorized and directed to contract with such entity for its services as Sinking Fund Depository, Paying Agent and Registrar, respectively, at such initial and annual charges as shall be appropriate and reasonable for such services. The City may, by Resolution, from time to time appoint a successor Paying Agent, Sinking Fund Depository or Registrar to fill a vacancy or for any other reason.

Section 7. Form of Bond, Interest Payment Dates and Record Dates. (a) The Bonds shall be issued in fully registered form without coupons and shall be numbered in such manner as may be satisfactory to the City and the Paying Agent. Pursuant to recommendations promulgated by the Committee on Uniform Security Identification Procedures ("CUSIP"), CUSIP numbers may be printed on the Bonds.

(b) The Bonds shall be dated March 1, 1998 and shall be issued in denominations of \$5,000 or any integral multiple thereof and shall bear interest payable initially on September 1, 1998 and semiannually on each March 1 and September 1 thereafter (each, an "Interest Payment Date"). Interest on the Bonds is payable to the registered owner of a Bond from the Interest Payment Date next preceding the date of registration and authentication of such Bond, unless (i) such Bond is registered and authenticated as of an Interest Payment Date, in which event such Bond shall bear interest from such Interest Payment Date, (ii) such Bond is registered and authenticated after a Regular Record Date (hereinafter defined) and before the next succeeding Interest Payment Date, in which event such Bond shall bear interest from such Interest Payment Date, (iii) such Bond is registered and authenticated on or prior to the

Regular Record Date (hereinafter defined) preceding September 1, 1998, in which event the Bond shall bear interest from March 1, 1998, or (iv) as shown by the records of the Paying Agent, interest on such Bond shall be in default, in which event such Bond shall bear interest from the date on which interest was last paid, or if no interest has been paid, from March 1, 1998.

(c) The term "Regular Record Date" with respect to any Interest Payment Date shall mean February 15 or August 15 (whether or not a Business Day) immediately preceding such Interest Payment Date. For the purposes of this Resolution, the term "Business Day" is any day other than a Saturday, Sunday or a day on which financial institutions in the Commonwealth of Pennsylvania are authorized by law to be closed. The person in whose name any Bond is registered at the close of business on any Regular Record Date with respect to any Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding the cancellation of such Bond upon any transfer or exchange thereof subsequent to such Regular Record Date and prior to such Interest Payment Date, except if and to the extent that the City defaults in the payment of the interest due on such Interest Payment Date, in which case such defaulted interest shall be paid to the persons in whose names outstanding Bonds are registered at the close of business on a special record date (the "Special Record Date") established by the Paying Agent, notice of which shall have been mailed to all registered owners of Bonds not less than ten days prior to such Special Record Date.

(d) The Bonds shall be issued in the form of one fully registered bond for the aggregate principal amount of the Bonds of each maturity, which Bonds shall be

registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). Except as provided in paragraph (j) below, all of the Bonds shall be registered in the name of Cede & Co., as nominee of DTC; provided that if DTC shall request that the Bonds be registered in the name of a different nominee, the Paying Agent shall exchange all or any portion of the Bonds for an equal aggregate principal amount of Bonds registered in the name of such nominee or nominees of DTC. No person other than DTC or its nominee shall be entitled to receive from the City or the Paying Agent either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portions of the Bonds on the Bond Register (as such term is defined in Section 8 hereof), in connection with discontinuing the book entry system as provided in paragraph (j) below or otherwise.

(e) So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or redemption price of or interest on such Bonds shall be made to DTC or its nominee in immediately available funds on the dates provided for such payments in this Resolution. Each such payment to DTC or its nominee shall be valid and effective to discharge fully all liability of the City or the Paying Agent with respect to the principal or redemption price of or interest on the Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds outstanding of any maturity, the Paying Agent shall not require surrender by DTC or its nominee of the Bonds so redeemed, but DTC (or its nominee) may retain such Bonds and make an appropriate notation on the Bond certificate as to the amount of such partial redemption; provided

that DTC shall deliver to the Paying Agent, upon request, a written confirmation of such partial redemption and thereafter the records maintained by the Paying Agent shall be conclusive as to the amount of the Bonds of such maturity which have been redeemed.

(f) The City and the Paying Agent may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal or redemption price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Registered Owners under this Resolution, registering the transfer of Bonds, obtaining any consent or other action to be taken by Registered Owners and for all other purposes whatsoever; and neither the City nor the Paying Agent shall be affected by any notice to the contrary. Neither the City nor the Paying Agent shall have any responsibility or obligation to any participant in DTC, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on the Register as being a Registered Owner, with respect to either: (1) the Bonds; or (2) the accuracy of any records maintained by DTC or any such participant; or (3) the payment by DTC or any such participant of any amount in respect of the principal or redemption price of or interest on the Bonds; or (4) any notice which is permitted or required to be given to Registered Owners under this Resolution; or (5) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Bonds; or (6) any consent given or other action taken by DTC as Registered Owner.

(g) So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the

Registered Owners under this Resolution shall be given to DTC as provided in the representation letter to be delivered to DTC, in form and content satisfactory to DTC and the City, which the Director of Finance is hereby authorized to execute.

(h) In connection with any notice or other communication to be provided to Registered Owners pursuant to this Resolution by the City or the Paying Agent with respect to any consent or other action to be taken by Registered Owners, DTC shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action, provided that the City or the Paying Agent may establish a special record date for such consent or other action. The City or the Paying Agent shall give DTC notice of such special record date not less than 15 calendar days in advance of such special record date to the extent possible.

(i) Any successor Paying Agent shall, in its written acceptance of its duties under this Resolution, agree to take any actions necessary from time to time to comply with the requirements of the representation letter.

(j) The book-entry system for registration of the ownership of the Bonds may be discontinued at any time if either: (1) after notice to the City and the Paying Agent, DTC determines to resign as securities depository for the Bonds; or (2) after notice to DTC and the Paying Agent, the City determines that a continuation of the system of book-entry transfers through DTC (or through a successor securities depository) is not in the best interests of the City. In either of such events (unless in the case described in clause (2) above, the City appoints a successor securities depository), the Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated

by DTC, but without any liability on the part of the City or the Paying Agent for the accuracy of such designation. Whenever DTC requests the City and the Paying Agent to do so, the City and the Paying Agent shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

Section 8. Bond Register, Registrations and Transfer. (a) The City shall cause to be kept at the designated corporate trust office of the Paying Agent a register (the "Bond Register") in which, subject to such reasonable regulations as it may prescribe, the City shall provide for the registration of Bonds and the registration of transfers and exchanges of Bonds. No transfer or exchange of any Bond shall be valid unless made at such office and registered in the Bond Register.

(b) Upon surrender of any Bond at the designated corporate trust office of the Paying Agent for registration of transfer, the City shall execute and the Paying Agent shall authenticate and deliver in the name of the transferee or transferees, a new Bond or Bonds of any authorized denomination, of the same series, interest rate and maturity, and in the same aggregate principal amount, as the Bond so surrendered.

(c) Any Bond shall be exchangeable for other Bonds of the same maturity and interest rate, in any authorized denomination, in an aggregate principal amount equal to the principal amount of the Bond or Bonds presented for exchange. Upon surrender of any Bond for exchange at the principal corporate trust office of the Paying Agent, the City shall execute and the Paying Agent shall authenticate and deliver in exchange therefor the Bond or Bonds which the registered

owner making the exchange shall be entitled to receive.

(d) All Bonds issued upon any registration of transfer or exchange shall be valid obligations of the City, evidencing the same debt and entitled to the same benefits under this Resolution as the Bonds surrendered for such registration of transfer or exchange.

(e) Every Bond presented or surrendered for transfer or exchange must be duly endorsed, or be accompanied by a written instrument of transfer in form and with guaranty of signature satisfactory to the Paying Agent, duly executed by the registered owner thereof or his duly authorized agent or legal representative.

(f) No service charge shall be made for any transfer or exchange of any Bond, but the City may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

(g) Neither the City nor the Paying Agent is required: (i) to issue or register the transfer or exchange of any Bonds during the any period beginning at the opening of business on a Regular Record Date and ending at the close of business on the succeeding Interest Payment Date; (ii) to issue or register the transfer or exchange of any Bonds then being considered for selection during any period beginning at the opening of business on the 15th day next preceding a date of selection of Bonds to be redeemed and ending at the close of business on the day on which the applicable notice of redemption is given; or (iii) to register the transfer or exchange any Bond so selected for redemption in whole or in part (other than as may be necessary to effect the partial redemption of a Bond redeemed in part).

Section 9. Execution and Authentication. The Bonds shall be executed on behalf of the City by the Mayor and countersigned by the City Controller and shall have the corporate seal of the City or a facsimile thereof affixed thereto, duly attested by the Director of Finance. Said officers are hereby authorized and directed to execute the Bonds. The Bonds shall be authenticated by the manual execution of the Certificate of Authentication by a duly authorized officer of the Paying Agent. No Bond shall be valid until such Certificate of Authentication shall have been duly executed by the Paying Agent and such authentication shall be conclusive and the only proof that any Bond has been issued pursuant to this Resolution and is entitled to any benefits conferred thereon under the provisions of this Resolution. To the extent that any one signature on a Bond (including the signature of the authorized representative of the Paying Agent) is manual, all other signatures may be by facsimile. The Director of Finance is hereby authorized and directed to deliver the Bonds to the Purchaser and receive payment therefor on behalf of the City after sale of the same in the manner required by law and this Resolution.

Section 10. General Obligation Covenant. The Bonds are hereby declared to be general obligations of the City and are payable from its tax and other general revenues including ad valorem taxes levied without limit as to rate or amount on all taxable real property located in the City. The City hereby covenants with the registered owners from time to time of the Bonds outstanding pursuant to this Resolution that it will provide in its budget in each year, and will appropriate from its general revenues in each such year, the amount required to pay debt service on the Bonds and to make any other required sinking fund payments for each such year. The City further covenants that,

from the sinking fund for the Bonds established therein, or from any other of its revenues or funds, it will pay or cause to be paid the principal of every Bond and the interest thereon, as applicable, at the dates and place and in the manner stated in the Bonds. For such budgeting, appropriation and payment, the City does hereby irrevocably pledge its full faith, credit and taxing power. The maximum amount of the debt service which the City hereby covenants to pay on the Bonds in each year is shown on Schedule B which is attached hereto and incorporated herein by reference as if set out here at length. As provided in the Debt Act, the foregoing covenants are specifically enforceable.

Section 11. Redemption. (a) The Bonds are not subject to redemption prior to maturity at the option of the City.

(b) The Bonds are subject to mandatory redemption on the dates (each a "Mandatory Redemption Date") and in the amounts shown on Schedule C. The City covenants to cause the Bonds to be redeemed on the Mandatory Redemption Dates and in the amounts shown on Schedule C, subject to its right, which is reserved in Section 12, to satisfy that obligation by delivering to the Paying Agent and Sinking Fund Depository no later than forty-five (45) days before any Mandatory Redemption Date, for cancellation, Bonds of the maturity which are subject to mandatory redemption on that Mandatory Redemption Date.

(c) Notice of any redemption shall be given by mailing a notice of redemption by first class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date to the Registered Owners of Bonds to be redeemed at the addresses which appear in the Bond Register, provided, however, that neither failure to mail such notice nor any defect in the notice so

mailed or in the mailing thereof with respect to any one Bond shall affect the validity of the proceedings for the redemption of any other Bond. If the City shall have duly given notice of redemption and shall have deposited with the Paying Agent funds for the payment of the redemption price of the Bonds so called for redemption, with accrued interest thereon to the date fixed for redemption, interest on such Bonds shall cease to accrue after such redemption date.

(d) Notices of redemption shall contain the applicable CUSIP numbers pertaining to the Bonds called for redemption (if then generally in use), and shall also contain the serial identification numbers printed on the Bonds.

(e) If less than all Bonds maturing on any one date are to be redeemed at any time, the Paying Agent, in accordance with instructions from the City, shall select by lot the Bonds to be redeemed at such time.

(f) Any portion of any Bond of a denomination larger than \$5,000 may be redeemed, but only in the principal amount of \$5,000 or any integral multiple thereof. Prior to selecting Bonds for redemption, the Paying Agent shall assign numbers to each \$5,000 portion of any Bond of a denomination larger than \$5,000 and shall treat each portion as a separate Bond in the denomination of \$5,000 for purposes of selection for redemption. Upon surrender of any Bond for redemption of a portion thereof, the Paying Agent shall authenticate and deliver to the Registered Owner thereof a new Bond or Bonds of the same maturity and in any authorized denominations requested by the Registered Owner in an aggregate principal amount equal to the unredeemed portion of the Bond surrendered.

Section 12. Sinking Fund. (a) There is hereby established a sinking fund to be known as City of Pittsburgh, Pennsylvania, Taxable General Obligation Pension Bonds, Series of 1998 Sinking Fund (the "1998 Sinking Fund"). The City covenants to deposit, and the Treasurer is hereby authorized and directed to deposit, into the 1998 Sinking Fund (i) on or before September 1, 1998 and on or before each Interest Payment Date thereafter to and including March 1, 2024 amounts sufficient to pay the interest due on each such Interest Payment Date on the Bonds then outstanding, and (ii) on or before March 1, 1999 and on or before each March 1 and September 1 thereafter to and including March 1, 2024 amounts sufficient to pay the principal of the Bonds due on each such March 1 and September 1 at maturity or pursuant to the mandatory sinking fund requirements hereof. Should the amounts covenanted to be paid into the 1998 Sinking Fund be at any time in excess of the net amounts required at such time for the payment of interest on and principal of the Bonds whether by reason of funds already on deposit in the 1998 Sinking Fund or by reason of the purchase of Bonds or redemption of Bonds, or for some similar reason, the amounts covenanted to be paid may be reduced to the extent of the excess.

(b) The City may satisfy any part of its obligations with respect to clause (a)(ii) of this section by delivering to the Sinking Fund Depositary, for cancellation, Bonds maturing on the date on which such deposit is required. The City shall receive credit against such deposit for the principal amount of the Bonds so delivered, provided that such Bonds are delivered to and received by the Sinking Fund Depositary (i) on or before the maturity date of the Bonds for which credit is requested, in the case of a deposit required for the payment of Bonds at maturity, or (ii) in the case of a deposit required to be made on a mandatory

redemption date, no later than 45 days prior to the mandatory redemption date for which credit is requested.

(c) All sums in the 1998 Sinking Fund shall be applied exclusively to the payment of debt service covenanted to be paid by Section 10 hereof as the same from time to time becomes due and payable and the balance of said moneys over and above the sum so required shall remain in the 1998 Sinking Fund to be applied to the reduction of future required deposits; subject, however, to investment or deposit at interest as authorized by law and as permitted by Section 22 hereof. The 1998 Sinking Fund shall be kept as a separate account at the principal corporate trust office of the Sinking Fund Depositary. The Sinking Fund Depositary, without further authorization other than as herein contained, shall pay to the Paying Agent from the moneys in the 1998 Sinking Fund the principal of, and premium, if any, and interest due on the Bonds. The Paying Agent, without further authorization, shall pay such interest as and when due to the registered owners on the appropriate Record Date and principal, as and when the same shall become due, to the registered owners thereof, upon presentment at the designated corporate trust office of the Paying Agent.

Section 13. Disposition of Proceeds. All moneys derived from the sale of the Bonds shall be deposited into the General Fund of the City pursuant to Section 20(a) hereof and shall be and hereby are appropriated substantially to payment of the costs of the Project, including, but not limited to the payment of the costs and expenses of preparing, issuing and marketing the Bonds, and the deposit of moneys to the 1998 Sinking Fund for payment of interest accrued on the Bonds from March 1, 1998 to the date of delivery, and shall not be used for any other purposes, except as to any insubstantial

amounts of money which may remain after fulfilling the purposes set forth herein, which minor amounts of remaining moneys shall promptly upon their determination be deposited in the 1998 Sinking Fund and used for the payment of interest on the Bonds. All Bond proceeds remaining, after payment of costs of issuance of the Bonds and the deposit of the aforementioned accrued interest into the 1998 Sinking Fund shall be transferred to the City's Comprehensive Municipal Pension Trust Fund (the "Pension Trust Fund") for the benefit of the Plans of the City as directed and set forth in Section 20(b) of this Resolution.

The Controller and the Director of Finance are hereby authorized to execute and approve a Final Official Statement relating to the Bonds provided that the Final Official Statement shall have been approved by the City's Solicitor. The distribution of the Preliminary Official Statement is hereby ratified and the Purchaser is hereby authorized to use the Preliminary Official Statement and the Final Official Statement in connection with the sale of the Bonds. To the extent that such deposits are insured by the Federal Deposit Insurance Corporation or a similar federal agency, they need not be secured. Otherwise, such deposits shall be secured as public deposits or as trust funds. Any such investments or deposits shall mature or be subject to redemption at the option of the holder, or be subject to withdrawal at the option of the depositor, not later than the date upon which such moneys are required to be paid to the registered owners.

(b) Any moneys deposited in the Pension Trust Fund for the benefit of the Plans shall be invested in accordance with applicable law. Anything to the contrary notwithstanding, assets of the Plans may be combined with assets of other pension plans of the City for purposes of investment.

Section 24. Payments on Business Days. If an Interest Payment Date or a

maturity date occurs on a day which is not a Business Day, the interest, principal or premium coming due on such Interest Payment Date or date of maturity shall be payable on the next succeeding Business Day without any additional accrual of interest.

City of Pittsburgh, Allegheny County, Pennsylvania in the Commonwealth of Pennsylvania (the "City"), for value received, and intending to be legally bound, promises to pay to the registered owner stated above (the "Registered Owner") the Principal Amount stated above on the Maturity Date stated above, unless this Bond shall be redeemable and duly shall have been called for previous redemption and payment of the redemption price shall have been made or provided for, upon presentation and surrender of this Bond at the designated corporate trust office of Chase Manhattan Trust Company, National Association (the "Paying Agent"), in Pittsburgh, Allegheny County, Pennsylvania, and to pay semiannually on March 1 and September 1 of each year (each an "Interest

Payment Date"), commencing on September 1, 1998, to the Registered Owner hereof, interest (computed on the basis of a 360-day year comprised of twelve months of 30 days) on said principal sum, until the principal sum hereof is paid or provided for, at the rate per annum stated hereon, from the Interest Payment Date next preceding the date of registration and authentication of this Bond, unless: (a) such Bond is registered and authenticated as of an Interest Payment Date, in which event such Bond shall bear interest from such Interest Payment Date; or (b) such Bond is registered after a Regular Record Date (as defined hereinafter) and before the next succeeding Interest Payment Date, in which event such Bond shall bear interest from such Interest Payment Date; or (c) such Bond is registered and authenticated on or prior to the Regular Record Date preceding September 1, 1998, in which event such Bond shall bear interest from March 1, 1998; or (d) as shown by the records of the Paying Agent, interest on such Bond shall be in default, in which event such Bond shall bear interest from the date on which interest was last paid on such Bond or if no interest has been paid, from March 1, 1998.

The principal of, premium, if any, and interest on this Bond are payable in such coin or currency of the United States of America as at the time and place of payment is legal tender for payment of public and private debts, at the designated corporate trust office of the Paying Agent; provided that, interest will be paid by check mailed to the person who is the Registered Owner on the appropriate record date at his address as it appears on the Bond Register described below, unless written demand is made by such owner of not less than \$1,000,000 aggregate amount of Bonds for payment by wire transfer of immediately available funds.

This Bond is one of a duly authorized issue of \$_____, principal amount, City of Pittsburgh, Allegheny County, Pennsylvania, Taxable General Obligation Pension Bonds, Series ____ of 1998 (the "Bonds") of the City. The Bonds have been issued in accordance with the Local Government Unit Debt Act of the Commonwealth of Pennsylvania, as amended (the "Act"), without the assent of the electors, pursuant to a Resolution (the "Resolution") of the governing body of the City enacted on February 4, 1998. The Bonds have been issued for the purpose of funding a project, consisting of financing a portion of the City's unfunded actuarial accrued pension liability and costs thereof and payment of the costs of issuance of the Bonds.

Interest payable on any Interest Payment Date will be paid to the Registered Owner in whose name this Bond is registered at the close of business on the February 15 or August 15 (whether or not a business day) (the "Regular Record Date") immediately preceding the relevant Interest Payment Date. Any such interest which is not deposited with the Paying Agent on or before any such Interest Payment Date for payment to the Registered Owner on the Regular Record Date shall forthwith cease to be payable to the Registered Owner on the Regular Record Date, and shall be paid to the person in whose name this Bond is registered on a special record date for the payment of such defaulted interest to be fixed by the Paying Agent, notice of which shall be given to all Registered Owners not less than 10 days prior to such special record date.

The Bonds are not subject to optional redemption prior to maturity.

The Bonds maturing on March 1, 2024 are subject to mandatory redemption, in part, prior to maturity, by lot, at par together

with accrued interest to the redemption date, on the date and in the amount specified in the Resolution.

If less than all Bonds maturing on any one date are to be redeemed at any time, the Bonds to be called for redemption at such time shall be chosen by the Paying Agent.

Notice of redemption of any Bond shall be given to the registered owner of such Bond by first class mail, not less than thirty (30) nor more than sixty (60) days prior to the redemption date, in the manner and upon the terms and conditions set forth in the Resolution. A portion of a Bond of a denomination larger than \$5,000 may be redeemed, and in such case, upon the surrender of such Bond, there shall be issued to the registered owner thereof, without charge therefor, a Bond or Bonds for the unredeemed balance of the principal amount of such Bond, all as more fully set forth in the Resolution. If notice of redemption shall have been duly given, the Bonds or portions thereof specified in that notice shall become due and payable at the applicable redemption price on the redemption date designated in that notice, and if, on that redemption date, moneys are held by the Paying Agent or the Sinking Fund Depositary for the payment of the redemption price of the Bonds to be redeemed, together with interest to the redemption date, then from and after the redemption date, interest on such Bonds shall cease to accrue.

The City, pursuant to recommendations made by the Committee on Uniform Security Identification Procedures ("CUSIP"), has caused CUSIP numbers to be printed on the Bonds, and has directed the Paying Agent to use such numbers in notices, if any, as a convenience to the Registered Owners of the Bonds. No representation is made by the City as to the accuracy of such

numbers either as printed on the Bonds or as contained in any notice and reliance may be placed only on the description printed hereon.

This Bond may be transferred or exchanged only on the registration books (the "Bond Register") maintained by the City at the principal corporate trust office of the Paying Agent upon surrender hereof by the Registered Owner at such office duly endorsed by, or accompanied by a written instrument of transfer duly executed by, the Registered Owner or his duly authorized agent or legal representative, in each case, in form and with a guaranty of signature satisfactory to Paying Agent.

No service charge shall be made for any transfer or exchange of any Bond, but the City may require payment of any required tax, fee or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Subject to the provisions of this Bond and of the Resolution relating to payment of interest, the City and the Paying Agent may treat the Registered Owner of this Bond as the absolute owner hereof, for all purposes, whether or not this Bond shall be overdue, and neither the City nor the Paying Agent shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on this Bond, or for any claim based hereon or on the Resolution against any member, officer or employee, past, present or future, of the City or of any successor body, as such, either directly or through the City or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, and all such liability of such members, officers or employees is released as

a condition of and as consideration for the issuance of this Bond.

It is hereby certified that the approval of the Department of Community and Economic Development of the Commonwealth of Pennsylvania for the City to issue and deliver this Bond has been duly given pursuant to the Act; that the Resolution and the certificate of approval of the Department of Community and Economic Development have been duly filed with the Public Employee Retirement Commission in accordance with the Act; that all acts, conditions and things required by the laws of the Commonwealth of Pennsylvania to exist, to have happened or to have been performed, precedent to or in the issuance of this Bond or in the creation of the debt of which this Bond is evidence, exist, have happened and have been performed in regular and due form and manner as required by law; that this Bond, together with all other indebtedness of the City, is within every debt and other limit prescribed by the Constitution and the statutes of the Commonwealth of Pennsylvania and applicable to the City; and that the City has established with the Paying Agent, as Sinking Fund Depositary, a sinking fund for the Bonds and has agreed to deposit therein amounts sufficient to pay the principal of, premium, if any, and interest on the Bonds as the same shall become due and payable.

This Bond is hereby declared to be a general obligation of the City. The City, in the Resolution authorizing the issuance of the Bonds, has covenanted with the Registered Owners, from time to time, of the Bonds that the City will provide in its budget in each year, and will appropriate from its general revenues in each such year, the amount required to pay debt service on the Bonds and to make any other required sinking fund payments for each such year. The City further covenants that, from the sinking fund

for the Bonds established therein, or from any other of its revenues or funds, it will pay or cause to be paid the principal of every Bond and the interest thereon at the dates and place and in the manner stated in the Bonds. For such budgeting, appropriation and payment, the City does hereby irrevocably pledge its full faith, credit and taxing power. This covenant is specifically enforceable. This Bond is entitled to such other security as is provided in the Resolution.

This Bond shall not be valid or become obligatory for any purpose unless the certificate of authentication hereon shall have been signed by the manual signature of an authorized representative of the Paying Agent.

IN WITNESS WHEREOF, the City has caused this Bond to be duly executed in its name and on its behalf by the facsimile signature of its Mayor and countersigned by its City Controller, and a facsimile seal to be imprinted hereon and attested by the facsimile signature of its Director of Finance.

[END OF FORM OF BOND]

Section 26. Purchase of Insurance.

The City hereby agrees to purchase and hereby accepts the commitment of Financial Guaranty Insurance Company (the "Insurer") to issue a municipal bond insurance policy (the "Policy") insuring the Bonds and directs that the appropriate premium be promptly paid at the settlement of the sale of the Bonds. A legend indicating the existence of such Policy shall be printed on the Bonds in the form required by the Insurer. To the extent required by the Insurer, in order to have accrued interest paid by the Purchaser excluded from the calculation of the premium, the City agrees to cause the amount paid as accrued interest, to the extent required by the Insurer, to be invested in direct obligations of the United States of America and maintained in the 1998 Sinking Fund until applied to the payment of interest on the Bonds. All terms and conditions required to be contained in this Resolution by the terms of the commitment are incorporated herein by reference with the same effect as if set out at length.

Section 27. Disclosure Covenants.

(a) In accordance with Rule 15c2-12 (the "Rule") promulgated under the Securities Exchange Act of 1934, as amended, the City hereby covenants, with and for the benefit of the holders and beneficial owners (which shall include any person or entity that has a pecuniary interest in any of the Bonds) from time to time of the Bonds, to provide to each nationally recognized municipal securities information repository (within the meaning of the Rule) ("NRMSIR") and to the appropriate state information depository (within the meaning of the Rule) in Pennsylvania, if any ("SID"), on an annual basis, its annual General Purpose Financial Statements presented in conformity with generally accepted accounting principles (the "Financial Statements"), together with updates of the tabular information appearing in Appendix B

to the Final Official Statement with respect to the Bonds (to the extent not included in the Financial Statements), commencing with the Financial Statements and tabular information for the fiscal year ending December 31, 1997. The Financial Statements and tabular information shall be provided on or before August 1 following the end of each fiscal year, commencing August 1, 1998. If the Financial Statements are not independently audited, the City shall also provide independently audited General Purpose Financial Statements when and if available. The City hereby also covenants, with and for the benefit of the holders and beneficial owners from time to time of the Bonds, to provide to each NRMSIR, or to the Municipal Securities Rulemaking Board ("MSRB"), and to the SID (A) prompt notice of a failure to provide the Financial Statements, the tabular information or any audited Financial Statements in a timely manner and (B) prompt notice of any of the following events with respect to the Bonds, if such event is material within the meaning of the Rule: (i) principal and interest payment delinquencies, (ii) non-payment related defaults, (iii) unscheduled draws on debt service reserves reflecting financial difficulties, (iv) unscheduled draws on credit enhancements reflecting financial difficulties, (v) substitution of credit or liquidity providers or their failure to perform, (vi) adverse tax opinions or events affecting the tax-exempt status of the Bonds, (vii) modifications to rights of the holders of the Bonds, (viii) unscheduled Bond calls, (ix) defeasances, (x) release, substitution or sale of property securing payment of the Bonds and (xi) rating changes.

(b) The City's covenants in the immediately preceding paragraph shall terminate upon legal defeasance, or other arrangement whereby the City is released from any further obligations with respect to

the Bonds, prior redemption or payment in full of all of the Bonds. If such termination occurs prior to the final maturity of the Bonds, the City shall give prompt notice of such termination to each NRMSIR, or to the MSRB, and to the SID.

(c) The proper officer or officers of the City are hereby authorized in the name and on behalf of the City to amend or terminate, in whole or in part, any of the foregoing covenants in this Section 27, without the consent of the holders or beneficial owners of the Bonds, provided that (A) the amendment requires the City to provide more information than was required by this Section 27 prior to the amendment, without diminishing in any way the obligations of the City to provide information hereunder as required by this Section 27 prior to the amendment, or (B) the following conditions are satisfied: (i) the amendment or termination is in connection with a change in circumstances that arises from a change in or clarification of legal requirements, change of law, or change in the identity, nature or status of an obligated person (within the meaning of the Rule) with respect to the Bonds, or the type of business conducted; (ii) such covenants, as amended, would, in the opinion of independent nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and (iii) the amendment or termination either (a) is approved by the holders of the Bonds in the same manner as provided in the Debt Act for modifications of this Resolution with the consent of such holders or (b) does not, in the opinion of independent nationally recognized bond counsel, materially impair the interests of the holders or beneficial owners of the Bonds. The City shall give prompt notice of any such amendment or termination to each

NRMSIR, to the MSRB and to the SID. In addition, the City shall describe such amendment in the next submission of Financial Statements and shall include, as applicable, a narrative explanation of the reason for the amendment and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being provided by the City. If the amendment relates to the accounting principles to be followed in preparing the Financial Statements, (A) the City shall give prompt notice of such change to each NRMSIR, or the MSRB, and to the SID and (B) the Financial Statements for the year in which the change is made shall present a comparison (in narrative form and also, if feasible, in quantitative form) between the Financial Statements as prepared on the basis of the new accounting principles and the Financial Statements prepared on the basis of the former accounting principles.

(d) The sole remedy for a breach by the City of any of the covenants in this Section 27 shall be an action to compel performance of such covenant. Under no circumstances may monetary damages be assessed or recovered or payment of the Bonds be accelerated, nor shall any such breach constitute a default under the Bonds. Nothing in this Section 27 is intended as or shall be deemed a "provision of the Bonds" for purposes of the Debt Act.

Section 28. Amendment to Pension Escrow Agreement. The City, simultaneously with the delivery of the Bonds to the Underwriter, shall enter into an Amendment (the "Amendment") to that certain Pension Escrow Agreement dated as of December 15, 1996 between the City and Chase Manhattan Trust Company, National Association (as successor to Mellon Bank, N.A.), as Escrow Agent, pursuant to which a fund known as the

"City of Pittsburgh 1996 Taxable Pension Bonds Escrow Trust Fund" (the "Pension Escrow Fund") was created. On or about March 10, 1998 an aggregate amount of \$6,747,935.63 shall be transferred from the City's General Fund, Police Pension Fund--Code Account No. 55, Firemen's Pension Fund--Code Account No. 56 and Municipal Pension Fund--Old--Code Account No. 58 and deposited into the Pension Escrow Fund. The Amendment shall provide for such deposit and shall be in form and content satisfactory to the City Solicitor and the Director of Finance of the City, the approval thereof to be conclusively evidenced by the City's execution thereof. The proper officers of the City are authorized and directed to execute, to attest and to seal, as appropriate, and to deliver the Amendment, simultaneously with the delivery of the Bonds. Such deposit shall be used for the purposes set forth in the original Pension Escrow Agreement and is not a "sinking fund" for purposes of the Act. All amounts on deposit in the Pension Escrow Fund shall be invested and disbursed from time to time, at the direction of the Director of Finance, as specified in the Pension Escrow Agreement. The City hereby appoints (i) The Chapman Company as its investment agreement broker for the Pension Escrow Fund to solicit bids from investment agreement providers, if directed to do so by the Director of Finance, and (ii) Ronald White, P.C., as Escrow Counsel. The investment agreement broker for the investment of monies in the Pension Escrow Fund will be compensated by the investment agreement provider, if any, at the standard rate, not to exceed 0.05% per annum of the principal amount invested (discounted at the investment rate.) The investment agreement shall be in a form approved by the Director of Finance.

Section 29. Severability. In the event any provision, section, sentence, clause or

part of this Resolution shall be held to be invalid, such invalidity shall not affect or impair any remaining provision, section, sentence, clause or part of this Resolution, it being the intent of this City that such remainder shall be and shall remain in full force and effect.

Section 30. Final Enactment. It is hereby authorized and directed pursuant to the Act that this Resolution shall become valid and effective on the fifth day after the Notice of Final Enactment has been published in a newspaper of general circulation in the City, said Notice of Final Enactment to be published no later than fifteen (15) days after the adoption of this Resolution.

Section 31. Repealer. Any Resolution or Ordinance or part thereof conflicting with the provisions of this Resolution is hereby repealed so far as the same affects this Resolution.

No. 168. WHEREAS, In 1898 the Honorable Christopher Lyman Magee and his associates founded the Pittsburgh Zoo; and

WHEREAS, Animals were originally housed in two separate locations when they first came to Pittsburgh. Endangered Species resided either in Schenley Park or in Riverview Park. The barred cages that animals had to stay in were often uncomfortable and injurious. Therefore, in 1895 Mr. Christopher Lyman Magee, along with many prominent Pittsburghers donated money for the construction of a Zoo. They also donated money for the purchase and transportation of

animals to the new facility. The building was constructed on a plot of land covering about 100 acres. This land was donated by the City of Pittsburgh.

WHEREAS, The Pittsburgh Zoo received these and countless other animals from places such as Ringling Brothers Circus, Louis Ruhe County Zoo, Germany, and Siberia. On Monday, June 13, 1898 the new Zoological Buildings were legalized and approved by the Building Committee. Over time the Zoo has created numerous additions to accommodate people and animals. Additions such as the Children's Zoo in 1949, the Underground Zoo in 1961, the Aqua Zoo in 1967, and the Asian Forest in 1983; and

WHEREAS, This new zoological garden lasted for over sixty years. However, due to outdated and frail construction, the Zoo's west wing was torn down in June, 1984. The rest of the building was demolished in October 1984. Soon thereafter, the entire Zoo was renovated. This renovation served as a catalyst for enhancement and expansion. As a result of major improvements, including the African Savanna exhibit in 1987, the Pittsburgh Zoo received its formal accreditation from the American Association of Zoological Parks and Aquariums in 1986;

No. 220. Whereas, in 1978 Jimmy Costanzo purchased a "shot-and-a-beer" bar located at 110 Smithfield Street in downtown Pittsburgh from Anthony DiCello and renamed it "Jimmy's Post Tavern"; and,

Whereas, Jimmy's Post Tavern struggled through its early years on a shoestring budget, catering to the lunch crowd and watching Pittsburgh's Renaissance II take shape; and,

Whereas, during this period Jimmy's Post Tavern received the prestigious Golden Hook Award for the "Best Fish Sandwich" from the Pittsburgh Press. Jimmy's Post Tavern now purchases over 500 pounds of fish per week to meet the high demand for this most popular item on the menu; and,

Whereas, hard work and quality service resulted in Jimmy's Post Tavern expanding to the second floor. "Up Over Jimmy's" relieves some the pressure on the bar/restaurant downstairs while providing an upscale menu in a more relaxed atmosphere. A patron's request for a catered lunch resulted in the establishment of "Jimmy's Corporate Catering," now serving over 200 accounts with the same quality food enjoyed at the Smithfield Street establishments. The availability of the former Don Vito's Pizza resulted in "Jimmy's Downtown Pizza and Lounge", the latest addition to the Jimmy's Post Tavern stable; and,

Now, therefore, be it resolved that the Council of the City of Pittsburgh congratulates Jimmy's Post Tavern on 20 years of good food and quality service for the people of the City of Pittsburgh and wishes owner Jimmy Costanzo continued success in all of his endeavors.

No. 223. WHEREAS, the advent of the nuclear age has brought with it a time of potential destruction to humankind which is greater than the world has ever known; and

WHEREAS, more than 20,000 nuclear weapons still remain in the arsenals of the United States and Russia; and

WHEREAS, nuclear missiles of Russia and the United States are still maintained on high level alert, ready for immediate launch-on warning, despite the end of the Cold War and the absent possibility of a massive first strike by these former enemies; and

WHEREAS, the dangers of "accidental" launch and "accidental" nuclear war are growing because of continued, unnecessary reliance on the high level, hair-trigger alert status of nuclear weapons, combined with the progressive deterioration of Russian command-and-control systems and technology; and

WHEREAS, cities such as Pittsburgh are major targets of deployed nuclear missiles; and

WHEREAS, authoritative studies have demonstrated that an "accidental"

launch of nuclear warheads from a Russian submarine could produce as many as 1 million casualties in Pittsburgh, for which there could be no significant medical response; and

WHEREAS, many military experts, security authorities and national leaders, such as Admiral Stansfield Turner (ret.), former Director of Central Intelligence, General George Lee Butler (ret.), former Commander-in-Chief of all U.S. strategic nuclear missiles, Sam Nunn, former Chairman of the Senate Armed Services Committee and former President Jimmy Carter are calling for the de-alerting of nuclear weapons, separation of warheads from missiles and their placement in secure national storage.

NOW, THEREFORE, BE IT RESOLVED, that the Council of the City of Pittsburgh joins military experts and security authorities and encourages the citizens of Pittsburgh to call for measures to prevent accidental or inadvertent use of nuclear weapons, including the mutual and verifiable removal of nuclear weapons from alert status and removal of warheads from missiles by the United States and Russia; and

BE IT FURTHER RESOLVED, that Council of the City of Pittsburgh calls upon our government, together with all of the other nuclear weapon states, to promptly begin negotiations of a treaty to prohibit and eliminate all nuclear weapons and to complete these negotiations by the year 2000 so that in the new millenium the citizens of Pittsburgh can live in a world free of nuclear weapons.

No. 322. Resolution authorizing the Directors of the Department of Parks and Recreation and the Department of Public Works to develop plans for a pilot program wherein designated areas within the city's parks and/or Greenways be established as Off-Leash Exercise Areas (OLEAs). The purpose of the OLEA pilot program is to afford citizens the opportunity lawfully

exercise licensed dogs off-leash with appropriate restrictions and safeguards in place; and, furthermore, to provide a report to Council within 120 days regarding the implementation of an OLEA pilot program.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

WHEREAS, the City of Pittsburgh has numerous Parks and Greenways ("Parks") for the benefit, use, and enjoyment of city residents and visitors alike and,

WHEREAS, in order to enhance the safety of people utilizing said parks there is a need to insure that persons exercising dogs in city Parks do not denigrate the experience or pose an undue hazard to others; and,

WHEREAS, there are approximately 15,000 licensed dogs in the city and a significant number of those dogs are exercised on a daily basis in the city's parks; and,

WHEREAS, it is a violation of the City Code (Title 6 - Conduct, at Chapter 633.08 "Dogs Prohibited at Large") to permit a dog to run at large upon public streets sidewalks or other places and owners can be fined from One Hundred Dollars (\$100.00) to Six Hundred Dollars (\$600.00) for violating this ordinance; and,

WHEREAS, numerous dog owners within the city have expressed a desire to have established Off-Leash Exercise Areas (OLEAs) in order to permit their dogs to run free and to exercise without interfering with persons who would otherwise enjoy the use of city park land and the facilities contained therein; and,

WHEREAS, it is in the best interests of all concerned to provide a safe, healthy and caring park environment where animals and people can coexist and, furthermore, that OLEAs offer a solution to existing and serious conflicts between persons who are in our parks to exercise their dogs and those who are their for other recreational purposes.

NOW THEREFORE BE IT RESOLVED THAT THE COUNCIL ENACTS AS FOLLOWS:

SECTION 1. Intent of Council

It is the intent of the Council of the City of Pittsburgh to establish OLEAs Pilot Program in recognition of the fact that:

- Many dog owners are already exercising their dogs off leash in violation of the city code
- There is a practical need to allow a dog to exercise by running free from its leash.
- Free running dogs in public places such as parks pose, at the least, an annoyance and, at worst, a public safety hazard
- There is a benefit to the public's safety from the daily presence of those who lawfully walk their dogs, serving as a deterrent to destructive or criminal behavior with in the city parks
- A reasonable accommodation can be made which benefits all concerned parties
- With the establishment of OLEAs, the public's safety will be enhanced and a lessening of leash law violations should occur.

SECTION 2. Development of Off-Leash Exercise Areas (OLEAs) Pilot Program

The Directors of the Departments of Parks and Recreation and Public Works (Directors) are authorized and directed to develop plans for a pilot program wherein designated areas within the city's Parks and/or Greenways may be designated as Off-Leash Exercise Areas (OLEAs) so as to afford citizens who own a validly licensed and vaccinated dog the opportunity exercise their dog by allowing them to run off leash with appropriate restrictions and safeguards in place in order to provide a safe, healthy and caring environment where animals and people can coexist.

SECTION 3. Components of the Pilot Program

The proposed plans for a pilot program shall include but not be limited to the following components:

1. A monitoring and evaluation program, with a baseline study prior to opening, with a mid-year evaluation and final assessment toward the end of the pilot; all sites should be videotaped or otherwise photo-documented as part of this evaluation process to document site conditions.
2. Strict rules posted at each site stating at a minimum:
 - Owners are liable for any damage or injury inflicted by their dogs
 - Dogs must be properly licensed and vaccinated
 - No aggressive behavior, biting, fighting, or excessive barking
 - Dogs must be leashed prior to entering and upon leaving the off leash site
 - Owner or handler must have a visible leash at all times
 - Owner or handler shall properly dispose of any feces left by their dogs

- Female dogs in heat are not permitted

- Dog owner or handler must be with dog at all times

- Dog owner or handler must comply with all park rules;

3. Management by authorized agents (i.e., Animal Control, police or others designated by the appropriate Directors), to ensure maximum compliance with regulations, working closely with the Departments of Parks and Recreation and/or the Department of Public Works on maintenance and disposal issues, and any problems which might arise;

4. Development of organized citizen participation facilitated through the Partners In Parks Program and/or the newly established Parks Conservancy in order to provide site stewardship, including regular maintenance, fundraising to provide any needed supplies for off-leash areas, assistance to Animal Control in providing monitoring, troubleshooting and education for dog owners;

5. In order to formulate a plan that best serves the residents of the City of Pittsburgh an OLEA Advisory Group (Advisory Group) of not more than ten (10) persons shall be formed to assist the Directors in formulating OLEA proposals for Council's consideration.

With the advice and consent of all Members of the Council, the members of the Advisory Group shall be appointed by the President of City Council. The Advisory Group shall be named prior to the Directors undertaking of any planning for OLEAs. The Advisory Group is to render assistance and advice to the Directors in the formulation of any OLEA plan. It would be preferred appointees to the Advisory Group,

either dog owner or non-dog owner, be frequent users of city parks and/or greenways so that they be able to share their unique and informed perspectives related to park and/or greenways with the Directors and staff. The Advisory Group should be a diverse group, representing the various interested parties and areas of the city.

6. Flexibility to allow any needed course corrections, such as the temporary closure of areas of extreme wear, restriction of hours or even closure of a site if conditions warrant.

7. Incorporate mitigating measures such as:

-
- Distribution of site throughout the city to reduce the need for travel and allow more people to walk to OLEAs sites

-
- OLEAs within parks should be delineated to avoid habitat sensitive areas, and areas of other significant uses such as playgrounds or athletic fields

-
- Fencing and signage will be used to clearly identify the boundaries of off-leash areas

-
- Fencing should be aesthetically acceptable, and will not close off areas of the parks.

-
- All areas will be monitored and, if necessary, adversely impacted areas can be closed off or otherwise have its use restricted

SECTION 4. Report to Council

The Directors shall provide to Council within One Hundred Twenty (120) days of passage of this resolution regarding

plans for the implementation of an OLEA pilot program. The report will make specific recommendations to Council pertaining to the establishment of OLEA Pilot Program in various locations throughout the city. The report shall include but not be limited to:

1. A monitoring and evaluation program to clarify the needs of dogs and their owners for access to public open space.

2. To improve understanding of the benefits of access to public open space by dogs and their owners taking into account the diverse needs of all members of the community.

3. To outline planning and design issues so as to provide a safe environment for people and dogs and to minimize potential conflicts.

4. To present findings in a format that will assist the appropriate city Departments to assess their own requirements for accommodating the needs of both dog owners and non-dog owners using public open space.

5. To present to Council a proposed budget for at least four (4) but not more than six (6) OLEAs to be located throughout the city.

No. 398. WHEREAS, On July 4, 1998 the Lemington Center will celebrate it's birthday of 115 years of service to the city of Pittsburgh; and

WHEREAS, Mary Peck Bond founded the Lemington Center. Her purpose in developing the center was to care for aged and ailing African-American women. The original two bed-room house located on Laplace Street served four individuals. The community has always provided sturdy support and invaluable service to the Lemington center. The Lemington Center's surrounding community support network is the central reason for the Centers success.

WHEREAS, In 1990 the demand for service far exceeded the Center's capacity. As a result of over population, a group of community people raised \$40,000 to build a thirty-three room home on Lemington Ave. This facility remained operational for more than 80 years. In 1970 modern technology and standards, coupled with an ever-increasing demand to serve more individuals, called for new changes to the Lemington Center. Hence, a new generation of community people secured the financing and approval to construct the one-hundred

and eighty bed facility which we know today; and

WHEREAS, Today, the Lemington Center gives a unique approach to long-term healthcare by building upon it's Afro-centric heritage. The organization provides rehabilitation therapy and skilled nursing services to fit the specific needs of our residents.

NOW, THEREFORE BE IT RESOLVED, that the Council of the City of Pittsburgh recognizes and commends the Lemington Center for devoting 115 years of service to the elderly African-American community.
